Scripps Ranch Friends of the Library Winter 2010

President's Pen

As we begin 2010, I look back at all Scripps Ranch Friends of the Library accomplished last year. The library armchair reupholstering was a major achievement. Usage of our website (www.srfol.org) has soared. We provided monthly programs for children, assisted with the summer reading program, held a student essay contest, sponsored Sunday afternoon concerts, and contributed almost \$14,000 in matching funds to purchase new books for our branch. We raised money through Grace's Book Nook, SRFOL memberships, concert contributions and sponsorships, the holiday bookplate drive, and Richard Lederer book sales.

Membership renewal letters will get mailed in February. You can help us reduce expenses by using the membership form on our website or newsletter before the renewal letters go out.

Librarian's Notes

2010 is well under way, and there is something for everyone at the library. If your resolutions include getting healthy, we have books on dieting, cooking and exercise. If your resolutions include giving back to the community, the library is the perfect place to volunteer. Volunteering is easy; simply come to the reference desk and fill out an application form. We need you to help with sorting, shelving, and all those other tasks that make for the smooth running of this Library.

The Scripps Ranch Friends of the Library would be delighted if you would like to join their fine organization and help to promote this beautiful library. Email the SRFOL at volunteer@srfol.org for more information about the Scripps Ranch Friends of the Library.
